qualification for participating in tenders by organizations in the Kitakyushu area related to the Ministry of Finance in the fiscal years 2021 and 2022.

(vii) In the case of a supplier who renders "underground objects investigation services," such supplier shall have Grade B, C or D for the classification of "general civil works" or Grade B or C for the classification of "scaffolding, civil works, concrete works" or "construction consultant" as provided for in the qualification for participating in tenders by organizations in the Kitakyushu area related to the Ministry of Finance in the fiscal years 2021 and 2022.

(viii) In the case of a supplier who renders "Nest removal services," such supplier shall have Grade B or C for the classification of "garden works," as provided for in the qualification for participating in tenders by organizations in the Kitakyushu area related to the Ministry of Finance in the fiscal years 2021 and 2022, or shall have Grade B, C or D for the classification of "provision of services, etc." as provided for in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Kyushu and Okinawa area.

⑤ A supplier whose qualification has not been suspended by government agencies (including a supplier specifically designated by the official in charge of disbursement of procuring entity).

⑥ A supplier who is not judged to be inappropriate as the other party to the contract on account of having violated any of the clauses of a contract concluded with an official-in-charge from the Fukuoka Local Finance Bureau. A supplier who having been awarded as a winning tenderer of the tender implemented by the Fukuoka Local Finance Bureau but refused to conclude the contract without any justifiable reason, or A supplier has not been the successful bidder recognized that there is a risk that performance conforming to the contents of the contract may not be performed.

⑦ A supplier who has no delinquent tax liabilities.

⑧ A person who has not been supervised within five years before the reference date, based on the first day of the month to which the last day of the application acceptance period belongs.

⑨ A supplier whose business situation or trustworthiness is deemed not to have significantly deteriorated, and whose proper performance of a contract can be guaranteed.

⑩ A supplier who have received Implementation Guidelines and Tendering documentation.

⑪ A supplier who has been given a briefing on the outline of Service Consignment of Investigation, Management, etc. of National Properties (Kitakyushu area) at the tender briefing session, etc.

⑫ Submission of Tender by Tendering Group

(i) In cases where, a single supplier is unable to implement all the services, a tender may be submitted by a group of two or more service suppliers (hereinafter the "tendering group"). In such case, one of the tendering group members, acting as the representative of the group, shall submit the proposal and take the tender procedures in such representative's name. For making an application for participation in tender procedures, a tendering group is required to prepare a written agreement for the creation of a tendering group and submit it. For implementing the Service Consignment of Investigation, Management, etc. of National Properties (Kitakyushu area), the representative of the tendering group shall be responsible for coordination and liaison with the government. In addition, the tendering group members shall also coordinate with the government so that the services will be implemented in a smooth and efficient manner. A tendering group member may not, solely or jointly with another tendering group participating in the same tender, submit the tender.

(ii) The representative of the group shall satisfy all of the requirements specified in items ① to ③ and ⑤ to ⑪ above. The members of the group shall satisfy all of the requirements specified in items ① to ③ and ⑤ to ⑨ above. With regard to the requirements set out in item ④ above, it is sufficient that the tendering group as a whole satisfies all these requirements ; however, the representative and each group member shall have at least one type of qualification for participation in the tendering procedures.

(7) Time-limit for tender : 5 : 00 p.m. February 21, 2023.

(8) Contact point for the notice : Supervisory Officer for National Property Management, Fukuoka Local Finance Branch Bureau, Fukuoka National Government Building 2—11—1 Hakataekihigashi, Hakata-ku, Fukuoka-city, Fukuoka Pref 812—0013 Japan, TEL 092—411—5109.

(9) For details, refer to Implementation Guidelines and Tendering documentation.
