(6) Qualifications for Participating in the Tendering Procedures

① A supplier who does not come under Article 70 of the Cabinet Order concerning Budget, Auditing and Accounting (Imperial Ordinance No. 165 of 1947). Furthermore, a minor, a person under conservatorship or a person under assistance who has obtained the consent necessary for concluding the contract falls under the case of special reasons within said clause.

② A supplier who does not come under Article 71 of the Cabinet Order concerning the Budget, Auditing and Accounting.

③ A supplier who has not filed a petition for the commencement of reorganization procedures under the Corporate Reorganization Act (Act No. 154 of 2002), or a supplier who has not filed a petition for commencement of rehabilitation procedures under the Civil Rehabilitation Act (Act No. 225 of 1999). With regard to a supplier who has filed a petition for commencement of reorganization procedures under the Corporate Reorganization Act or a supplier who has filed a petition for commencement of rehabilitation procedures under the Civil Rehabilitation Act, shall have obtained a recertification of qualification for participation in the tendering procedures after the time of issuance of the order of commencement of procedures.

④ A supplier shall meet all of the qualifications as specified in items (a) through (p) below, in accordance with the types of services as set forth respectively in the specification sheets. In cases where a single supplier is unable to meet all of the qualifications as specified in items (a) through (p) below, two or more suppliers who meet the respective requirements may participate in the tender procedure, on the premises that such suppliers conclude a group agreement.

(a) A supplier who renders "services of preparation of real property investigation reports," shall have Grade A or B for the classification of "land survey," "construction consultant" or "land and building investigation" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022, or Grade B or C for the classification of "provision of services, etc." in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Tokai Hokuriku area, and shall retain a qualified staff member licensed as Real Estate Notary (Article 18 of the Real Estate Transaction Specialists Business Act).

(b) A supplier who renders "buried objects investigation services," shall have Grade C or D for the classification of "general civil engineering works," or Grade A or B for the classification of "scaffolding, civil engineering works, concrete works," "construction consultant" or "geological survey" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022.

(c) A supplier who renders "soil contamination investigation services," shall have Grade B or C for the classification of "soil survey" or "measurement certification" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022, or shall have Grade C or D for the classification of "provision of services, etc." in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Tokai Hokuriku area, and shall have obtained designation as a designated investigation institution pursuant to the provisions of the Soil Contamination Countermeasures Act (Act No. 53 of 2002).

(d) A supplier who renders "lifeline utilities investigation services," shall have Grade C or D for the classification of "general civil engineering works," or Grade B or C for the classification of "scaffolding, civil engineering works, concrete works," "construction consultant" or "soil survey" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022.

(e) A supplier who renders "asbestos investigation services," shall have Grade A, B or C for the classification of "construction consultant," or Grade C or D for the classification of "general construction works" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022, or shall have Grade C or D for the classification of "provision of services, etc." in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Tokai Hokuriku area, and retain a qualified staff member licensed as an Asbestos Surveyor or an Asbestos Diagnosis Expert (registered with Nippon Asbestos Diagnosis Association).

(f) A supplier who renders "land survey services," shall have Grade B or C for the classification of "land survey" or "land and building investigation" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022.

(g) A supplier who renders "PCB investigation services," shall have Grade C or D for the classification of "provision of services, etc." in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Tokai Hokuriku area.

(h) A supplier who renders "monitoring services," shall have Grade C or D for the classification of "provision of services, etc." in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Tokai Hokuriku area.

(i) A supplier who renders "mowing and maintenance services," shall have Grade A, B or C for the classification of "landscape works," "scaffolding, civil engineering works, concrete works" or Grade C or D for the classification of "general civil engineering works" in the qualification for participating in tenders by organizations in the Tokai area related to the Ministry of Finance in the fiscal years 2021 and 2022, or shall have Grade A, B or C for the classification of "provision of services, etc." in the qualification for participating in tenders by organizations related to the Ministry of Finance (single qualification for every ministry and agency) in the fiscal years 2022, 2023 and 2024, and be eligible to participate in tendering procedures in the Tokai Hokuriku area.
