⑤ A supplier whose qualification has not been suspended by government agencies (including a supplier specifically designated by the official in charge of disbursement of procuring entity).

⑥ A supplier who has no delinquent tax liabilities.

⑦ A supplier who has not received any supervisory action within five years before the base date, which shall be the first day of the month in which the last day of the application acceptance period falls.

⑧ A supplier whose business situation or trustworthiness is deemed not to have significantly deteriorated, and whose proper performance of a contract can be guaranteed.

⑨ A supplier who has been given a briefing on the outline of "unused state-owned land management services" at the tender briefing session, etc.

⑩ Submission of Tender by Tendering Group

(a) In case that a single supplier is unable to implement all the services, a tender may be submitted by a group of two or more service suppliers capable of properly implementing the unused state-owned land management services in the relevant service area (hereinafter the "tendering group"). In such case, one of the tendering group members, acting as the representative of the group, shall submit the proposal and take the tender procedures in such representative's name. For making an application for participation in tender procedures, a tendering group is required to prepare a written agreement for the creation of a tendering group and submit it. For implementing the unused state-owned land management services, the representative of the tendering group shall be responsible for coordination and liaison with the government. In addition, the tendering group members shall also coordinate with the government so that the services will be implemented in a smooth and efficient manner. A tendering group member may not, solely or jointly with another tendering group participating in the same tender, submit the tender.

(b) The representative shall satisfy all of the requirements specified in items ① to ③ and ⑤ to ⑨ above, and members of the group shall satisfy all of the requirements specified in items ① to ③ and ⑤ to ⑧ above. The representative and members of the group shall satisfy all of the requirements specified in item ④ as one group, and each members of the group shall satisfy at least one requirement specified in item ④.

(7) Time-limit for tender : 5 : 00 p.m. February 27, 2023
