D. For the avoidance of doubt, this Article shall be implemented without regard to the country of origin of such goods and software.

ARTICLE 6
ENTRY, EXIT, AND RESIDENCE OF PERSONNEL

On a reciprocal basis, each Party shall facilitate, in accordance with its laws and regulations, the entry into, exit from, and residence in its territory of personnel and families of personnel engaged in joint activities under this Framework Agreement.

ARTICLE 7
OVERFLIGHT

In accordance with its laws and regulations, each Party shall facilitate the provision of aircraft and balloon overflight clearances in order to conduct joint activities under this Framework Agreement.

ARTICLE 8
TRANSFER OF GOODS AND TECHNICAL DATA

A. The Parties are obligated to transfer only those goods and technical data, including software, necessary for the implementation of joint activities under this Framework Agreement, in accordance with this Article, notwithstanding any other provisions of this Framework Agreement.

B. All activities under this Framework Agreement shall be conducted in accordance with all applicable laws and regulations, including those laws and regulations pertaining to export control and the control of classified information.

C. The transfer of technical data necessary for the implementation of joint activities under this Framework Agreement with regard to interface, integration, and safety shall normally be made without restriction, except as required by this Article.

D. All transfers of goods and proprietary data or export-controlled technical data are subject to the following provisions.

1. In the event a Party or its Related Entity finds it necessary to transfer such goods or data, for which protection is to be maintained, such goods shall be specifically identified and such data shall be marked.

2. The identification of such goods and the marking on such data shall indicate that the goods and data shall be used by the receiving Party and its Related Entities only for the purposes of fulfilling the receiving Party's or Related Entity's responsibilities under an Implementing Arrangement, and that such goods and data shall not be disclosed or retransferred to any other entity without the prior written permission of the furnishing Party.

3. The receiving Party and its Related Entities shall abide by the terms of the notice and protect any such goods and data from unauthorized use and disclosure.

E. All goods and marked proprietary data or export-controlled technical data transferred in the implementation of joint activities under this Framework Agreement shall be used by the receiving Party or Related Entity exclusively for the purposes of the relevant Implementing Arrangement. Upon completion of the activities under an Implementing Arrangement, the receiving Party or Related Entity shall return or otherwise dispose of all goods and marked proprietary data or export-controlled technical data provided under the Implementing Arrangement, as directed by the furnishing Party or Related Entity.

F. The Parties shall cause their Related Entities to be bound by this Article through contractual mechanisms or equivalent measures.

ARTICLE 9
INTELLECTUAL PROPERTY RIGHTS

A. Nothing in this Framework Agreement shall be construed as granting, either expressly or by implication, to the other Party any rights to, or interest in, any inventions or works of a Party or its Contributing Entities made prior to the entry into force of, or outside the scope of, this Framework Agreement, including any patents or similar forms of protection in any country corresponding to such inventions, or any copyrights corresponding to such works.
