SECTION H: Threshold Adjustment Formula

1. Thresholds shall be adjusted in every even-numbered year with each adjustment taking effect on 1 January, beginning on 1 January of the first even numbered year after the date of entry into force of this Agreement for the United Kingdom.

2. Every two years, the United Kingdom shall calculate and publish the value of the thresholds under Chapter 15 (Government Procurement) expressed in British pound sterling (GBP). These calculations shall be based on the conversion rates published by the International Monetary Fund in its monthly *International Financial Statistics*.

3. The conversion rates shall be the average of the daily values of the British pound sterling in terms of the SDR over the two-year period terminating on the last day of August preceding the year before the adjusted thresholds are to take effect.

4. The United Kingdom shall notify the other Parties of the current thresholds in its currency immediately after the date of entry into force of this Agreement for the United Kingdom, and the adjusted thresholds in its currency thereafter in a timely manner.

5. The United Kingdom shall consult if a major change in its national currency relative to the SDR or to the national currency of another Party were to create a significant problem with regard to the application of Chapter 15 (Government Procurement).
