(b) Health and social services, including pension insurance (CPC 931 other than 9312 and part of 93191)

Cross-Border Trade in Services – National Treatment, Market Access, Local Presence

(i) the cross-border supply of health services, the cross-border supply of social services, as well as activities or services forming part of a public retirement plan or statutory system of social security.

Sub-entries (a) and (b) do not relate to the supply of any health-related professional services, including the services provided by professionals such as medical doctors, dentists, midwives, nurses, physiotherapists, paramedics and psychologists, which are covered by other entries.

(c) Social services, including pension insurance

Investment – National Treatment, Performance Requirements, Senior Management and Boards of Directors
Cross-Border Trade in Services – Market Access

(i) the supply of all social services which receive public funding or State support in any form, and are therefore not considered to be privately funded, and activities or services forming part of a public retirement plan or statutory system of social security;

(ii) the supply of privately funded social services other than services relating to convalescent and rest houses and old people's homes.

The participation of private operators in the privately funded social network may be subject to concession on a non-discriminatory basis. An economic needs test may apply. Main criteria: number of and impact on existing establishments, transport infrastructure, population density, geographic spread and creation of new employment.
