15	Sector:	Transport
	Sub-Sector:	Air Transport
	Industry Classification:	
	Obligations Concerned:	National Treatment (Article 2) Prohibition of Performance Requirements (Article 6)
	Description:	Japan reserves the right to adopt or maintain any measure with respect to investment in airports or airport operation services. For the purposes of this entry, the term “airport operation services” means the supply of air terminal, airfield and other airport infrastructure operation services on a fee or contract basis. Airport operation services do not include air navigation services.
	Existing Measures:	

Schedule of the Republic of Angola

1	Sector:	Arms Industry
